SCENE ONE

*A white male dressed in hip hop attire is standing by a bus stop. He has headsets on and is rapping along. A black male enters with preppy attire. He stands next to the bus stop looking to see if the bus is coming. The white male approaches the black male.*

WHITE MALE

Yo, what it do?

BLACK MALE

Excuse me?

WHITE MALE

Yo, Gee, wuz up?

BLACK MALE

Nothing really. I am just waiting for the bus.

WHITE MALE

Yo, so that's wuz up? That be breezy.

BLACK MALE

Ok?

WHITE MALE

*(Starts rapping. Soon he takes off his headphones).* Yo, son, listen to this shit.

BLACK MALE

No thank you. I would rather not.

WHITE MALE

Yo, but it's hot. This shit is off the chain. It don't git any better than this.

BLACK MALE

Seriously, I am fine.

WHITE MALE

Yo, whats wrong witchya? Why won't you listen to this shit?

BLACK MALE

There is nothing the matter with me. I just do not care to listen to the music on your listening device. I do not even know what type of musical sounds you are pleasuring your ears with.

WHITE MALE

What the fuck! Man what kinda language is you speaking. Man, just listen to it. It's the best hip-hop there iz.

BLACK MALE

Oh, No! Thank you, but no thank you. I do not take any pleasure in listening to that noise you people call hip-hop.

WHITE MALE

What do you mean by you people?

BLACK MALE

Your kind.

WHITE MALE

Yo, I's about to punch your ass.

BLACK MALE

There is no need to get violent. Now if you do not mind I would like to wait for the bus in silence. Thank you, sir.

WHITE MALE

Whatever. *(Continues rapping. Stops)*. Yo, so what kind of music do you listen to?

BLACK MALE

If you must know I am a fan of alternative music. It is mellow with just a touch of rock and roll.

WHITE MALE

Yo, Gee, you sound like you got shit up your ass.

BLACK MALE

Don't we all?

WHITE MALE

Yo, Gee, I promise you if you give a listen to this shit; you'll dig it.

BLACK MALE

And I promise you I will not. You can keep your music to yourself. I find no pleasure in it. *(Beat)*. Oh thank God the bus is here.

SCENE TWO

*Black Woman and White Man are half naked and are getting dressed.*

BLACK WOMAN

I know this isn't the time to say this, but it's now or never. And I gave it some heavy thought and I have come to the conclusion that...this is the last time we do this.

WHITE MAN

What? Why?

BLACK WOMAN

I cannot do this anymore. It's wrong and you know it.

WHITE MAN

It's not wrong if we love each other.

BLACK WOMAN

If you love me than marry me.

WHITE MAN

I can't and you know that. Do you know how angry my wife will be?

BLACK WOMAN

Exactly. I never signed up to be the other woman. I am not going to do this anymore.

WHITE MAN

Come on, baby, we have a good thing going on here. Don't stop it now.

BLACK WOMAN

There is nothing good about this. Okay maybe the sex is wonderful. It feels extremely good, but the situation is just horrible. I would hate to find out that my husband is cheating on me and yet I am helping a husband cheat on his wife. I cannot and will not do this anymore. Tonight was the last time so I hope you enjoyed it.

WHITE MAN

That's not fair. You could have told me before we started so I could have done it like it was my last time.

BLACK WOMAN

I didn't want to ruin the moment.

WHITE MAN

Well, you're ruining this moment. I need you. You're the only woman I love.

BLACK WOMAN

That can't be true. You don't love me. You lust me. And I am beginning to think I am not the only woman you are lusting after.

WHITE MAN

You are the only one. I promise.

BLACK WOMAN

Is that what you tell your wife at night? Oh wait a minute you don't see her at night because you see me.

WHITE MAN

Babe, please don't leave me. I need you. Would you stay if I paid you?

BLACK WOMAN

I hung up my hooker heels for you. And you won't even leave your wife for me. I might as well go back out in the streets. You'll never love me.

WHITE MAN

I really do love you.

BLACK WOMAN

If we never had sex again would you still love me? *(Pause)*. Exactly. I'm sorry. It's over. *(Exits)*.

SCENE THREE

*Asian Male is sitting, reading. Hispanic Male enters.*

HISPANIC MALE

Hey, how are you?

ASIAN MALE

Wow, it's so nice to see you. I haven't seen you since high school.

HISPANIC MALE

So, how's everything?

ASIAN MALE

Everything is pretty cool.

HISPANIC MALE

So what have you been up to?

ASIAN MALE

Nothing much. Just working.

HISPANIC MALE

Where do you work?

ASIAN MALE

I'm a bus boy at a diner and I also clean offices.

HISPANIC MALE

Oh, that's cool.

ASIAN MALE

What about you?

HISPANIC MALE

I work with my parent's. They own a dry cleaners.

ASIAN MALE

Of course. We used to go there after school together. I remember your mother used to make the meanest egg rolls for us.

HISPANIC MALE

Not as good as the tacos your mother would make.

ASIAN MALE

Those were the good times.

HISPANIC MALE

Yes they were. Are you on Facespace.com?

ASIAN MALE

Yeah.

HISPANIC MALE

I'll look you up. It was nice seeing you again.

ASIAN MALE

Same here.

HISPANIC MALE

See you on the web.

SCENE FOUR

*Teen Female is sitting with remote in her hand. Teen Male enters.*

TEEN MALE

Hey, may I speak with you?

TEEN FEMALE

Damn, can't you see I am watching television? Can't it wait?

TEEN MALE

I'm sorry, but it can't.

TEEN FEMALE

Damn. What the hell you want?

TEEN MALE

I...I missed my period?

TEEN FEMALE

Damn, boy, go tell your dad that shit. I don't want to hear that.

TEEN MALE

I don't think you understand. I took a pregnancy test. It's positive.

TEEN FEMALE

Well, damn. Is it mine?

TEEN MALE

What kind of question is that? What do you think that I am a slut?

TEEN FEMALE

No, I'm just asking. Well, you better go take care of it.

TEEN MALE

What do you mean take care of it?

TEEN FEMALE

Go down to the damn clinic and take care of it. I ain't being a damn dad.

TEEN MALE

I don't have the money to do that.

TEEN FEMALE

You don't have to have any money. The tax payers are paying for it.

TEEN MALE

I don't know that I could do that. If you didn't want to be a dad you should have worn a condom like I asked.

TEEN FEMALE

Who needs a damn condom when you have abortion? I'm not gonna say it again. Go to the clinic and take care of that shit.

TEEN MALE

No.

TEEN FEMALE

You don't tell me no. *(Stands and approaches Teen Male. Punches his stomach. Teen Male screams and falls to the ground. He falls to the fetal position.)*. Forget the damn tax payers. That aughta do it. *(Sits back down and changes channel with remote)*.

SCENE FIVE

*Blond Woman is sitting on chair. Brunette Woman enters with suit case.*

BRUNETTE WOMAN

Hello.

BLOND WOMAN

Hey.

BRUNETTE WOMAN

Are you waiting for the 915 bus?

BLOND WOMAN

Yes.

BRUNETTE WOMAN

Does this bus go to the airport?

BLOND WOMAN

Yes. It's the last stop.

BRUNETTE WOMAN

Oh. Okay. Thanks.

BLOND WOMAN

You're welcome.

BRUNETTE WOMAN

So where are you going?

BLOND WOMAN

I am going to the airport. I am spending some time with my mother. She lives in New Hampshire.

BRUNETTE WOMAN

New Hampshire? Isn't that where they tape the Jersey Shore?

BLOND WOMAN

No. That's New Jersey.

BRUNETTE WOMAN

Oh, right of course.

BLOND WOMAN

How about you? Where are you going?

BRUNETTE WOMAN

I'm going to New York City. I am so excited. I auditioned for a play. Rehearsals are in the city, but we perform the show in Europe.

BLOND WOMAN

Wow, that sounds like fun. Congratulations.

BRUNETTE WOMAN

Thank you.

BLOND WOMAN

You're welcome. What parts of Europe?

BRUNETTE WOMAN

What do you mean?

BLOND WOMAN

What countries in Europe are you going to?

BRUNETTE WOMAN

Countries? I don't know? I just know that we are going to the country of Europe.

BLOND WOMAN

Yeah, but which countries? You know, like, Italy, Poland, Sweden...

BRUNETTE WOMAN

No, we won't be going to any of those places, but we will be going to Europe.

BLOND WOMAN

Ok.

BRUNETTE WOMAN

Where are my manners? My name is Caryn Johnson. What's yours?

BLOND WOMAN

My name is Lisa Davids. You know Whoopi Goldberg's name is Caryn Johnson?

BRUNETTE WOMAN

How is that possible when her name is Whoopi Goldberg?

BLOND WOMAN

Whoopi Goldberg is not her real name.

BRUNETTE WOMAN

Why would she be using a fake name? Is she under cover?

BLOND WOMAN

No. Whoopi is her stage name.

BRUNETTE WOMAN

Why would she name her stage? And why does she have a stage? And why would she use her stage's name?

BLOND WOMAN

Never mind.

BRUNETTE WOMAN

*(Slight pause)* So, does the bus get here exactly at 9:15?

BLOND WOMAN

No.

BRUNETTE WOMAN

Then why call it a 915?

BLOND WOMAN

915 is just the number of the bus. All busses are numbered, but the number of the bus does not dictate the time it gets to the bus stop.

BRUNETTE WOMAN

Well, that's confusing.

BLOND WOMAN

Right. *(Bus is heard)*. Thank God the bus is here.

SCENE SIX

*White Girl is on one side of the stage, Black Girl is on the other.*

BLACK GIRL

I hate my hair. It's so wooly. I wish I had hair that was silky and easy to comb and easy flip. I wish I had white girl's hair.

WHITE GIRL

I hate my hair. It's so silky. I wish I had hair that was wooly and easy to braid and easy puff. I wish I had black girl's hair.

BLACK GIRL

White girl's hair is so much better. I mean all they have to do is put it in a pony tale and they are done. And I love how it flows easily.

WHITE GIRL

Black girl's hair is so much better. I mean all they have to do is wrap it and they are done. And I love how it braids.

BLACK GIRL

I hate how I have to perm and relax my hair just to get it as fine and flowy as white girls.

WHITE GIRL

I hate how I can never get my hair to braid as cool as theirs do.

BLACK GIRL

I like how they can run their fingers through their hair.

WHITE GIRL

I love the dreadlocks and the cornrows. I could never get my hair to look that good.

BLACK GIRL

There are so many days I wish I could get my hair to do what white girls hair does.

WHITE GIRL

There are so many days I wish I could get my hair to do what black girls hair does.

BLACK GIRL

I wish I had white girl's hair.

WHITE GIRL

I wish I had black girl's hair.

SCENE SEVEN

WHITE MAN

Sir, I's got your newspaper like you asked.

BLACK MALE

What took you so long?

WHITE MAN

Why sir, I was pretty quick if you ask me.

BLACK MALE

Nigger, are you talking back to me?

WHITE MAN

No Sir. I...I was just saying-

BLACK MALE

Saying what? What were you saying? Were you saying that I am impatient? Were you saying that I am a lie?

WHITE MAN

No, sir, I mean, I was just-

BLACK MALE

*(Slaps him)* Nigger if you ever talk to me like that again I promise you I will kill you and no one will miss you. No one will miss you to the point they won't even look for you. Try me.

WHITE MAN

I's sorry sir.

BLACK MALE

SHUT UP!

SCENE EIGHT

BLOND WOMAN

*(Enters)* Damn, what a rough day at work.

WHITE MALE

Everything okay?

BLOND WOMAN

Yes, just tired. What's for dinner?

WHITE MALE

I didn't get the chance to make it yet.

BLOND WOMAN

What? What do you mean?

WHITE MALE

I had to take the baby to the doctors and then I had to pick up our daughter from soccer practice.

BLOND WOMAN

I don't care about that shit. I know I told you more than once to have my dinner ready when I get home.

WHITE MALE

I know, but I had other things to do. You're not the only thing on my mind.

BLOND WOMAN

Ruski, what did you just say?

WHITE MALE

Nothing, I'm just saying—

BLOND WOMAN

*(Slaps him)*. Don't you ever talk back to me again.

WHITE MALE

You said you would never hit me again.

BLOND WOMAN

Shut up, you Ruski. You're worthless.

SCENE NINE

*Teen Male is sitting. He has a cup of tea and is reading a book. Hispanic Male and Asian Male enters sits down.*

HISPANIC MALE

*(Whispering)* Yo, you see that dude?

BLACK WOMAN

The white dude?

HISPANIC MALE

Yeah. What do you think he is?

BLACK WOMAN

What do you mean?

HISPANIC MALE

His nationality.

BLACK WOMAN

He looks American.

HISPANIC MALE

There is no such thing as a pure white American. They all traveled from somewhere.

BLACK WOMAN

Well, I don't know. They all look the same to me.

HISPANIC MALE

You think he's Russian?

BLACK WOMAN

Well, no. He doesn't look like a spy. Nor does he look like a communist.

HISPANIC MALE

Is he drinking tea? He just might be English.

BLACK WOMAN

No, his teeth look fine from here. Maybe he's Italian.

HISPANIC MALE

No. He looks to weak to be in the Mafia.

BLACK WOMAN

Maybe you could find out if he's French.

HISPANIC MALE

How do I do that?

BLACK WOMAN

Start a fight with him. If he surrounds he's probably French.

HISPANIC MALE

No. I'm not going to do that.

BLACK WOMAN

Maybe we should just ask him.

HISPANIC MALE

I'm not going to ask him. You ask him.

BLACK WOMAN

No, thank you. Maybe he's Irish.

HISPANIC MALE

No silly. He's drinking tea not liquor.

BLACK WOMAN

Well, he can't be Polish.

HISPANIC MALE

Why not?

BLACK WOMAN

Because he's reading a book Polacks can't read, they're dumb.

HISPANIC MALE

You think maybe he could be Swedish?

BLACK WOMAN

Of course not. He doesn't have Blond hair and blue eyes. And he's not naked.

HISPANIC MALE

What could he be?

BLACK WOMAN

Maybe he's African. You know they have white peoples in Africa.

HISPANIC MALE

Really?

BLACK WOMAN

Yeah. You know it sure is difficult to tell them all apart from each other.

HISPANIC MALE

I know. All white people look alike.

TEEN MALE

*(Walks towards Hispanic Male and Asian Male)*. I heard your conversation and I think it is very sad that in this day and age you guys could be so prejudice and racist. And just for the record my dad is German and my mother is Jewish. *(Exits)*.

HISPANIC MALE

He sure doesn't look like a Nazi.

BLACK WOMAN

And he doesn't look cheap either.

SCENE TEN

*Asian Male, Teen Female, and Black Girl enter.*

ASIAN MALE

Listen to this. How can you tell when a black man has been on your computer? It's not there. *(They all laugh)*

BLACK GIRL

Wait, I've got one. Why shouldn't white people go swimming? Because crackers get soggy when wet. *(They all laugh)*

TEEN FEMALE

If you take an Oriental person and spin him around, does he become disoriented? *(They all laugh)*

ASIAN MALE

What do you call a white woman with a yeast infection? Crackers with cheese. *(They all laugh)*

BLACK GIRL

What type of milk comes from an Asian woman? Rice milk *(They all laugh)*

TEEN FEMALE

What's long and black? The unemployment line

ASIAN MALE

What's yellow and goes "cheep, cheep"? A Chinese prostitute. *(They all laugh)*

BLACK GIRL

How does a black chick tell if she's pregnant? When she pulls the tampon out, all the cotton is picked. *(They all laugh)*

TEEN FEMALE

What's the difference between a white man and the devil? There is no difference. *(They all laugh)*

SCENE ELEVEN

WHITE MALE

When will your mind be colorblind? When will your mind be colorblind?

HISPANIC MALE

You look at peoples skin and you think you know everything they're in.

Black democrats; white republicans. That's the name of the game

BLOND WOMAN

Your dumbass thinks everyone supposed to be the same

BLACK MALE

When will your mind be colorblind? When will your mind be colorblind?

WHITE GIRL

My skin color doesn't tell you who I am.

BLACK WOMAN

I know you think you're perfect and you don't judge

BRUNETTE WOMAN

But if that was true our words would mean nothing to you

TEEN FEMALE

Have you tried your best to be colorblind?

WHITE MALE

Or has this country implanted a conscience to keep you racist

ASIAN MALE

Do all black people go to jail?

TEEN FEMALE

Do all Asian people look the same?

WHITE MAN

Are all Hispanics illegal?

HISPANIC MALE

Are all white people evil?

BLACK GIRL

When will your mind be colorblind? When will your mind be colorblind?

BRUNETTE WOMAN

Is his dream here yet?

WHITE MAN

Have you learned to look at people's character?

ASIAN MALE

Or are you stuck on their skin? Their clothing? Their hair? When will your mind be colorblind? When will your mind be colorblind?

TEEN MALE

Is your fingerprint enough to believe that we are all individuals? With unique thoughts? Individual lifestyles? Not all the same?

BLACK WOMAN

Can you believe we are not like animals? Categorized and dumped into a group; believing we all do the same thing?

BLACK MALE

My fingerprint is different from all those with my skin color? And yet you believe we are the same. When will your mind be colorblind?

BLOND WOMAN

Do you believe you fulfill every stereotype? If you don't; why should anyone else? When will your mind be colorblind?

TEEN MALE

Are you convinced you need to change?

WHITE GIRL

Change your thinking? Change your thoughts? Change your beliefs?

BLACK GIRL

Change your mind that believes all types are the same? Is your mind colorblind? Is his dream here yet?

SCENE TWELVE

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

BLACK MALE

I probably wasn't black enough for some of you, but does it really matter? I am a life guard. So if you are drowning at the end of the day what matters most; my blackness or that I saved you from drowning?

WHITE MALE

Was I too black for you? I know some of you thought of the word wigger when you saw me, but does it really matter? I am a counselor. So if you need counseling at the end of the day what matters most; me acting whiter or that I counseled your crazy self?

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

BLACK WOMAN

I am sure you noticed a black woman with a white man before you even noticed we were having an affair. I am a lawyer. So at the end of the day what matters most: that I have an affair with a black man or saved you from going to jail?

WHITE MAN

Does it matter whether I cheat on my wife with a black woman or a white woman; or should I not do it at all? Would you rather me be with my color or as doctor save you from dying?

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

HISPANIC MALE

You laughed inwardly when you heard that my parent's own a dry cleaners, didn't you? You saw my parent's owning a Salon or Mexican restaurant, didn't you? As a teacher does my culture matter more then me educating you?

ASIAN MALE

You already think my mom owns a nail salon. You didn't even get the chance to know me and already perceiving things about me. My culture should never matter to you. As a dentist all you should care is that I fix your teeth.

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

TEEN FEMALE

I'm a preacher; all that matter is that I preach the truth. Not my color, not my gender, not anything.

TEEN MALE

As a graphic designer all that matters is that I fulfill my customers' desires, not the world's perception of a white male teenager.

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

BLOND WOMAN

At the end of the day what matters most; people's stereotypes or people's gifts and talents.

BRUNETTE WOMAN

Your culture can get you many places, but only your character can keep you there.

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

BLACK GIRL

It doesn't matter what you think about my looks it only matters what I do to make this world a better place.

WHITE GIRL

At the end of the day it doesn't matter if I fulfilled my culture it only matters if I fulfilled my destiny.

ALL

*(Singing)* At the end of the day does it really matter; does it really matter at the end of the day?

TEEN FEMALE

Be Honest. When you looked at me what did you see?

WHITE MAN

Did you see a man cheating with his wife?

BLACK WOMAN

Or a white man with a black woman. When you looked at me what did you see? Did you think I should have been with a black man?

HISPANIC

Did you see a laborer? Did you think I was an illegal? Am I from Mexico, Puerto Rico, Cuba, or maybe Peru?

ASIAN MALE

Or maybe you can't tell if I'm from China, Japan, or Korea. Did you think about it; did you try to figure it out?

BRUNETTE WOMAN

Did you think; there is no way she could be that dumb?

BLOND WOMAN

And there is no way she could be that smart?

BLACK GIRL

Did you think there was nothing wrong with me wanting silky hair?

WHITE GIRL

And that there was everything wrong with me wanting wooly hair?

WHITE MALE

Did you think I was too black?

BLACK MALE

And I wasn't black enough?

TEEN MALE

What did you think of me?

TEEN FEMALE

What did you think of us and the situation? Did you think it was okay for your son to go out?

TEEN MALE

Okay for your son, because if she gets pregnant at least it's not your responsibility.

BLACK WOMAN

Double standards

ASIAN MALE

Racism

WHITE MAN

Sexism

BLACK GIRL

What did you think?

HISPANIC MALE

What were your thoughts? Did you think we were right?

BLOND WOMAN

Did we get your stereotypes right?

WHITE GIRL

Do you still believe all types can do one thing?

TEEN MALE

Is his dream here yet?

BRUNETTE WOMAN

What did you see when you saw me?

BLACK MALE

Did you judge me by my clothing? Did you perceive who I was before you got the chance to meet me?

TEEN FEMALE

Who did you see when you saw me?

WHITE MALE

Is his dream here yet?

BLOND WOMAN

Who did you see?

HISPANIC MALE

What did you see?

WHITE GIRL

Did you form opinions about me as I spoke?

ASIAN MALE

I have a dream that people will be judged by the content of their character.

WHITE MAN

Did you take the time to know the content of my character?

WHITE MALE

Was my character known before you judged me?

BRUNETTE WOMAN

Did you even think to know my character before judging me?

Is his dream here yet?	TEEN FEMALE
Is my character even relevant in your judgment of me?	BLACK WOMAN

*(Praying in the midst of the singing)* Lord, dear God, why have we forsaken you. You taught us love and to give love and to be love, but we...the power you gave us to create love...we used it to create hate. We created words of hatred filled with bitterness, ugliness, and anger. We use these words daily purposely to offend, to bring down, and to make others feel less than and not good enough. We spit these words out of our mouths like the heavens shower down the rains. We do it daily. But these words don't make us grow it only makes us stagnate. How low is our self-esteem that we use our power to hate rather than to love? For one who is full of love can only give love. And we...we give nothing but hate so that tells us what we are filled with. God, Jesus why are we filled with hate when you came to bring love? Why have we rejected your love and accepted the enemy's hate? When will his dream appear? When will we ignore our outer and only look at the inner? For we are the same color on the inside; our blood, sweat, and tears are the same color. The only things that matter in our lives are the same color.

When will we look beyond our insecurities, our stereotypical thoughts, our prejudgments, our hatred for one another? God, oh, God when will it be?

TEEN MALE

Can't we all just love each other?

TEEN FEMALE

Faggot, go suck a dick you sissy looking fairy.

BLACK GIRL

Now, those are fighting words.

HISPANIC MALE

*(Everyone begins to fight).* When we have done such a thing like; create fighting words, and use them on a daily basis; you have to ask yourself; is his dream here yet?

BLACK GIRL

*(Exits fight).* When teenagers kill themselves because they are being bullied; you have to ask yourself; is his dream here yet?

WHITE MALE

We have the power to stop using these words.

BLOND WOMAN

We have the power to create new words.

Ain't it funny? We spent centuries creating words of hatred; slang that causes pain and derogatory words to degrade. However, we have yet to create words and slang to do the opposite. Where are the words that uplift that black people can use, but whites cannot? Where are they? Do they even exist? We wasted our time arguing about a word that some can use and others can't, but spent no time creating words that all can use to uplift
